the *Journal of the American Medical Association* (JAMA) and the *New England Journal of Medicine* (NEJM).

These two journals are the most widely read and cited in the field of medicine. They are also the most expensive, with JAMA costing \$1,200 per year and NEJM costing \$1,500 per year.

Other journals in the field include the *British Medical Journal* (BMJ), the *Lancet*, and the *Annals of Internal Medicine* (AIM).

The *BMJ* is a British journal that is widely read and cited. It costs \$1,200 per year. The *Lancet* is a British journal that is also widely read and cited. It costs \$1,500 per year.

The *AIM* is an American journal that is widely read and cited. It costs \$1,200 per year.

There are many other journals in the field of medicine, but these are the most widely read and cited.
