the *Journal of the American Medical Association* (JAMA) and the *New England Journal of Medicine* (NEJM).

These journals are the most widely read and cited in the field of medicine. They are also the most expensive, with subscription rates for institutions ranging from \$10,000 to \$20,000 per year.

The *Journal of the American Medical Association* (JAMA) is the largest of the three, with a circulation of over 100,000 copies per year. It is published weekly and covers a wide range of medical topics.

The *New England Journal of Medicine* (NEJM) is the second largest, with a circulation of over 50,000 copies per year. It is published weekly and covers a wide range of medical topics.

The *Journal of the American Medical Association* (JAMA) and the *New England Journal of Medicine* (NEJM) are both published by the American Medical Association (AMA).
