Contextual education

Contextual education card appears at the top of the feed to help guide, based on the actions new users took during onboarding.

A mobile app interface for LinkedIn, displayed on a smartphone screen. The screen shows a white background with the LinkedIn logo at the top left. Below the logo, the text "Your profile helps you discover new people and opportunities" is centered. Underneath, there is a toggle switch for "I'm a student" which is currently turned off, with the word "No" to its left. Below this, there are three input fields: "Most recent job title*" with the text "Sales Manager", "Employment type" with a dropdown menu showing "Full-time", and "Most recent company*" with the text "Flexis". At the bottom of the screen, there is a large blue button with the word "Next" in white text.
